

INSTRUCTIONS FOR COMPLETING COVER SHEET FOR REGISTRATION OF COMMERCIAL FERTILIZERS, FERTILIZER MATERIALS, OR SOIL CONDITIONERS

The cover sheet form of application for registration is now being used in Delaware.

1. Fill in the firm information, year, date, number of products, and remittance at the top of the form.
2. "Firm" name and address to be same as appearing on label or package. Individual submitting application should sign on line marked "Signed". If application submitted by a different firm, please enter name and address on line marked "Signed".
3. List product names and grades for which registration is requested.
4. Attach a label for each product.
5. Submit application in duplicate and one copy will be returned.
6. Check should be made payable to Delaware Department of Agriculture.
