Corn Mazes – there’s an App for that!

Android phone users can now join iPhone users to find corn mazes and other Agritourism attractions in Delaware by using the *Delaware Fresh App* – www.Delaware.gov/apps/

Delaware’s Agritourism season is going full tilt. Opportunities abound for activities such as u-pick pumpkins/apples/gourds, hay rides, corn mazes, farm tours on the Harvest Trail, Halloween attractions, and so much more. There is still time to gather family and friends and head to a farm. Most operations are open until the end of October – some into November. Information on agritourism sites and activities can be accessed as follows:

- Android and iPhone users may utilize the *Delaware Fresh App* found at www.Delaware.gov/apps/
