Approved scratches for today, reviewed and filed veterinarian daily treatment sheets and blood gas test results.

Administrative:

Dr. Kristen Pastir is the substitute Associate Commission Veterinarian.

Post-race test results from Truesdail Laboratories, Inc. revealed the following:

- Samples #18840, #18085 and #18872 from September 28, which had been placed on hold, were cleared.
- Truesdail Laboratories, Inc. reported on their certificate of analysis for post-race test sample #18859, taken from the horse “North Forest Star” which won the 9th race on September 28, 2016, contained “CLENBUTEROL” in the amount of 414 picograms in the urine and 16.2 picograms in the blood. The trainer of record, Mr. Wallace Neilson was informed of the laboratory findings by the Stewards. DTRC Inspector’s Swift and Gowen conducted a barn inspection of trainer Neilson’s assigned area. Results of the inspection revealed no prohibited items but did reveal containers of “CLENBUTEROL.” Mr. Neilson waived his right to a split sample and hearing in this matter and accepted the penalty of a fifteen-day (15) suspension and five hundred dollar fine (\$500.00). The horse “North Forest Star” was disqualified from all purse monies from the 9th race on September 28, 2016 and was placed last.
