

NOTICE OF TERMITICIDE APPLICATION

For the purpose of complying with the Rules and Regulations of the Delaware Pesticide Law (3 DEL. C., Chapter 12), Notice ¹ is hereby given to the undersigned that the property described above was treated with a termiticide in the following manner:

Property Location _____ _____ _____ _____	Termiticide: _____ EPA Reg. No.: _____ Actual Volume Applied: _____ Concentration _____ (Total Gallons) _____ (% Active Ingredient) _____ Dates of Application _____
---	--

- Treatment of the property was at less than prescribed termiticide label concentration.
- Treatment of the property was less than the volume (gallons of termiticide) prescribed by the termiticide label.
- Treatment excluded areas of treatment prescribed by the termiticide label.

The termiticide application differed from the prescribed label application due to the following conditions:

<input type="checkbox"/> Full Label concentration and/or volume could have resulted in the following adverse environmental impact:	<input type="checkbox"/> This is a retreatment of a limited area where termites have been found to be active.
<input type="checkbox"/> Structural barriers existed that limited access to applicable soil treatment areas.	<input type="checkbox"/> Customer requested less chemical than prescribed by label. <div style="text-align: right;">Customer Initials: _____</div>
<input type="checkbox"/> Structural barriers or soil conditions or soil types existed that prohibited application at full label concentration or volume.	<input type="checkbox"/> Certified applicator recommendation of less chemical than prescribed by label. (See statement on reverse side and any additional comments below.)

Comments: _____

Customer's Name or Agent	Title	Date
Company Name	Signature of Certified Applicator	Date

- Attachments:**
1. A diagram of the structure identifying treated areas and any sites of visible termite activity.
 2. A copy of the termiticide product label (*Required upon customer request*).
 3. Terms and conditions of any guarantee, warranty, or service agreement (*or, if no warranty guarantee, or service agreement is provided, a statement to that effect*).

¹ Label rates are specified by individual termiticide product labels and include concentration, volume, and locations of treatment for termite control. All preconstruction treatments must be performed at full label volume and/or concentration. **This notice shall be provided to the customer within 14 days of any termiticide application.** A copy of this record shall be retained by the applicator for a period of two (2) years from the date of application.
