Administrative Hearings:

On Tuesday August 13, 2013 the Stewards held the following hearings.

We held a hearing for trainer Juan Vazquez, concerning owner Orlando Martinez of Orlyana Farm. The hearing was for failure to submit an application, and pay for a license. The owner Mr. Martinez was fined the sum of \$100.00 for failure to procure a license, after being informed to do so several times by the trainer and the licensing office.

We held a hearing for owner's Mr. Richard Hessee and Mr. Richard Hessee III, for the injectable medication issued in their name by a registered vet, with the medication in the possession of their trainer Mr. Donald Roberson. Both Hessee's were represented at the hearing, by horsemen's representative Mr. Alan Pincus. After hearing all testimony and reviewing all evidence in the matter, the Stewards have reached the conclusion that the Hessee's be held blameless in the possession of the medication by their trainer. No action shall be taken.
